Suggested Form for Working Groups**

This form is offered as a tool that Working Groups might want to use to frame their consideration of the work ahead and in preparation for the on-going discussion about to create an OB-wide budget. Estimates of the amounts of money to be raised and spent for your work in the next 6 months are what we want to have available for the Budget creation summits. If you have any questions, please contact 1 of the 4 FAWG members listed below.

Please return the results of your Working Groups efforts to FAWG (Financial Accountability Work Group: Greg gsjmurphy@gmail.com, Linda lindajenkins177@yahoo.com, Lydia lydiaeccles@yahoo.com, Rita rita@brandeis.edu) by 24 February 2012.
