

## **WHY OCCUPY THE T ? Here are a few reasons:**

**Because the proposed 35-43% fare hikes will cost you hundreds of dollars per year.**

**Because the MBTA plans to cut your bus line. Or the line of someone you know.**

**Because Public Transportation is a vital need for the 99% of our city.**

**Because the working poor, the unemployed, and those on fixed incomes should have as much of a right to move about the city as anyone. *Remember Charlie on the MTA!***

**Because Occupying the T is an environmental necessity.** Fewer buses + trains means more cars on the road, which means more traffic and more air pollution...more CO2.

**Because T *workers* are the 99% too, though the 1% loves to blame things on them.**

**Because there are plenty of ways to pay the MBTA's expenses *without* hikes, *or* cuts: the 1% has BILLIONSSSSSS\$ —why not get the needed funds from *them*?**

**Because around 25% of the T's budget goes to paying interest so big banks profit.**

**Because if Big Banks can get bailed out for billions, why can't the T?**

***Tell the MBTA: "No cuts, no Hikes...FREE CHARLIE!"***

**Rally to Defend the T and Reject the Cuts:**
