

## DID YOU KNOW?

- The MBTA is proposing **35-43% fare hikes**, which will cost you hundreds of dollars per year?
- Many **bus lines are proposed to be cut?**
- While we face an environmental crisis, the proposed **cuts will increase pollution and carbon emissions?**

**If Big Banks can get bailed out for billions, why can't the T get some help?**

## HOW TO GET INVOLVED:

**Come to a rally!** Occupy the T will be holding a rally and protest before the MBTA hearing in **Copley Square on February 13**. We also encourage you to attend hearings in your area, including the **Somerville hearing on February 28**. See: [mbta.com/about\\_the\\_mbta/public\\_meetings/](http://mbta.com/about_the_mbta/public_meetings/)

**Contact your state legislators and the Governor** and let them know you support increased funding for the MBTA.
